Our vision is to be a shining example of progress and innovation, relentlessly pushing boundaries and establishing new benchmarks for excellence that places us at the forefront of our industry.

Our Vision

At Mathewson and Rosemond, we envision a transformative future characterised by innovation and collaboration as the driving forces of our success. Our objective is to establish ourselves as leaders in our industry, recognised for our unwavering commitment to exceptional quality, integrity, and a customer experience that fosters loyalty.

Core Values

By embodying our core values and understanding our social responsibility, Mathewson and Rosemond are not merely aiming for excellence; we define what it means to be industry leaders and trusted partners. Our unwavering commitment to these principles ensures we leave an enduring positive legacy in the communities we serve.

Partners

An Orbia business.

Ancillaries & Consumables

Designed to complement your core offerings, our high-quality ancillary items ensure seamless functionality, while our essential consumables keep your daily operations running smoothly. At Mathewson & Rosemond, we take pride in being a leading provider of high-quality ancillary and consumable products.

Drainage

Our extensive range includes innovative drainage systems and durable materials, all designed to ensure effective water management. We pride ourselves on providing exceptional service and expert guidance, helping you create a problem-free environment that is resilient, efficient, and safe.

Heating & Plant

We offer a comprehensive selection of heating solutions, from energy-efficient boilers to radiators and underfloor heating systems. Our products are engineered to deliver consistent energy efficient thermal comfort, making them ideal for various applications, whether in large commercial spaces or modern residential settings.

Pipe Systems

Mathewson & Rosemond has been a trusted name in the pipe products industry since 1959, providing high-quality metal and plastic pipes to meet a variety of needs. With decades of experience, the company has built a reputation for reliability and excellence in service, catering to both commercial and residential markets.
